

Howells Community Fund Garage Sale raises more than \$2,900

Pictured are a few of the items that were donated to the Howells Community Fund Garage Sale held on Saturday, April 22.

The Howells Community Fund Garage Sale was held Saturday, April 22, at the Howells Ballroom. Donations of clothes, furniture, household items, collectibles and decor were received throughout the week and volunteers sorted and priced those donations as they came in each night. By Saturday the ballroom was filled with tables of items and multiple racks of clothing for eager shoppers. When the sale closed at

1 p.m. that day, the remaining items were donated to various local charities and shelters who put the items to good use. More than \$2,900 was raised from the garage sale and the Howells Community Fund members will now select a project in the community where the profits can be used. Past projects have included new park benches and the newly revamped basketball court near the Howells Ballroom. The

garage sale is a success each year only because of the support of the people who graciously donate their items for the sale and the small army of volunteers who spend hours and hours of their time sorting, pricing and arranging those items for the Saturday shoppers. Thank you, from all of the Howells Community Fund members, to everyone who helped us make this event a huge success again this year!
