

PCPP continues to raise funds

The Perkins County Pool Project Committee has been hard at work this summer. We just completed a successfully Fourth of July lunch that raised almost \$3,500. We were overwhelmed by the response and support of the community at this event! The volunteers who helped cook the food and treats, provided their time to serve and those who stepped up on short notice to provide us with generators to keep our food hot; we could not have done it without these individuals and the support of our community!

Secretary**

We are diligently planning our next event, a double-elimination softball tournament to be held Aug. 12. If you are interested, please contact Megan Apolius at 308-386-6118.

Prizes will be given to first, second and third places. All proceeds will go to the Perkins County Aquatic Center fund with Nebraska Community Foundation. See our advertisement in the paper for more information.

As we are looking forward to the end of summer and slightly cooler weather, we are organizing a golf tournament on Sept. 17 at 1 p.m. It will be a great way to end golfing season! If interested, please contact me at 308-352-6124. See our advertisement in the paper for more information.

Please visit our Facebook group, Perkins County Pool Project, or our newly designed website <https://sites.google.com/site/perkinscountypoolproject/> to stay up-to-date on our project! We post information regarding fundraisers, ways to give and information regarding our mission.

As always, we can be reached by email at pcppcommittee@gmail.com or on our Facebook page, Perkins County Pool Project.
